

Website Feature List

Over 10 years in the making, NPD's proprietary software has been especially designed to help non-profits advance their mission. Since that means different things to different organizations, all NPD websites include a wide variety of functionality.

Here is a partial list of all the functions available for your NPD website:

Accept donations	File sharing	Pop-up Pages
Advertising Integration	Forum/discussion boards	Product catalogs
Auto-Respond Emails	Graphic Design	Scheduling
Audio Production	Image Galleries Slide Shows	Searchable web pages
Calendars	Internal page links	Secure online
Contact forms	Join email list	credit card payments
Contact Management	Links to external sites	Search Engine Optimized
Copywriting Assistance	Logo design	Social Media Integration
Custom Image Design	Members only pages	Software Upgrades
Custom Page Links	Member Registration	SSL integrated
Customizable Home Page	Mobile friendly browsing	Surveys/Polls
Templates	News and announcements	Ticket ordering
Database-Driven Content	Newsletters	Video Production
Dynamic Content	Online applications	Visitor Registration
Ecommerce	Order tracking	Venue Directory & Menus
E-marketing campaigns	Page Hit counter	You Tube Integration
Email Hosting	Password protected	Web-based content
Event calendar	admin. Console	management
Event Reservations	Payment integration	Website hosting
Facebook integration	Photo Gallery	WYSIWYG content

All these functions are available at no extra cost.

You pay one annual fee for all services.

In addition, we are always available to modify or customize functions for your specific needs.
